GUIDEBOOK OF THE 3RD MILLENNIUM

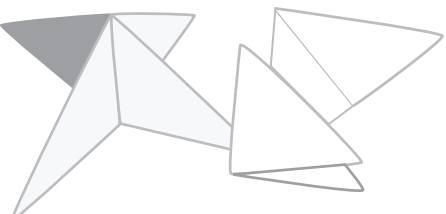

Now you are a Master of Civilization, just like Rotario, compare notes with your friends and relatives on the various themes and make your voice heard!

We have a great power: TO CHOOSE!

Considerations to build a better future!

The Earth is my home AND I CHOOSE TO RESPECT IT Beyond the door, there is the World which belongs to us. Thanks to our daily deeds we could make everyone's life better and respect the environment.

Indication for use

Print the A4 sheet and cut it as shown by the scissors (only one side). Once you obtained a square sheet, fold it following the dotted line. Then add your choices and print the guidebook for your friends.
